☐ Pass

☒ Pass w/ specific recommendations

☐ Warning\*

☐ Fail/ probation\*

☐ Fail

☐ Incomplete\*\*

The work is good & prospers when you attend to your inner vision. You should get weirder with it & explore the atmosphere you produce when you let go. The life studies are less interesting - however useful they are as learning aids. Most importantly - manage your time. Make your work & research a priority. This is the time to do it.

\*Detailed information about warning and probation policies are in the MFA Student Handbook

\*\* Students receiving an Incomplete must meet with their current advisor to fill out and sign an Incomplete contract describing the work necessary to fulfill course requirements and the due date for its completion.
